

## OKAVANGO - ABU CONCESSION

Premier Wilderness Camp

Abu Camp provides guests with the extraordinary privilege of interacting with African elephants, of being part of an elephant herd, meeting each individual and beginning to understand what makes the largest land mammal tick. This is possibly the ultimate elephant educational safari. Set in age-old riverine forest, Abu Camp consists of six en-suite tents designed in a unique “Afro-Bedouin” style: wide, airy and blending in well with the natural surroundings. Each tent has its own tree-shaded deck overlooking the lagoon, which thrives with bird and animal life.

The lounge and dining tent has a breathtaking view over the lagoon and features a well-stocked library and a study. Sundowners around a traditional campfire are followed by five-star meals complemented by award-winning wines. The elephant encounters include riding and walking with the herd through the bush. Abu also offers game drives, night drives, walks and mokoro trips to view the abundance of game in the area.
