

# TUBU TREE CAMP

## OKAVANGO - JAO CONCESSION

### Classic Wilderness Camp

Tubu Tree is a small camp built on the western side of the Jao Concession's isolated Hunda Island. Owing to its locale and easy access to diverse habitats, Tubu Tree ensures varied and spectacular game viewing.

The camp is built in traditional style with five intimate tents on raised wooden platforms, taking in the marvellous scenery of the surrounding floodplain. Each tent has a private front deck, en-suite bathroom facilities and an outdoor shower. The main dining and lounge areas and pool are also tented and raised on platforms and an outdoor pub area lies under the canopy of a large marula tree.

Activities include day and night game drives in open 4x4 vehicles with access to productive mopane and acacia woodlands. During the flood season (normally May to late September), boating, fishing and mokoro trips are also offered.
