

# VUMBURA PLAINS

## OKAVANGO - KWEDI CONCESSION

### Premier Wilderness Camp

Vumbura Plains is a luxury camp situated in the northern Okavango Delta, comprising two separate seven-roomed satellite camps, each with its own raised dining, lounge and bar area tucked beneath a canopy of shady, indigenous trees and with a vista across the floodplains. The main area lays emphasis on relaxation furnished with soft sofas and idiosyncratic *objets d'art*.

The rooms, raised off the ground, are unique in contemporary design; the dimensions are square, with extensive use of light wood and space. Each suite has a large, comfortable bedroom, sunken lounge with cushions, sala, en-suite facilities, an outdoor shower, private deck and plunge pool. A family suite is also on offer with a private deck linking the two separate rooms. Vumbura Plains offers both land and water activities, principally game viewing in varied habitats on walks, mokoros and boats, providing an excellent all-round experience.
