

DORO NAWAS CAMP

KUNENE - DORO !NAWAS CONSERVANCY

Safari & Adventure Co.

Doro Nawas rests on the slopes of a small hill on the edge of the dry Aba-Huab River overlooking ancient plains with glorious views of the rugged Damaraland area. Guests are housed in 16 natural walled units, the design and décor blending in with the surrounding scenery, and attention to comfort and luxury. Each unit consists of a bedroom, en-suite bathroom and veranda for stargazing or sleep-outs. There are indoor and outdoor dining areas, a residential pool area, bar and a small curio shop.

The lodge provides an excellent base for exploring the local area in game drive vehicles and on foot, combining a luxury safari experience with economic empowerment for the local community. Guests can view petroglyphs – prehistoric rock engravings – and San rock art at Twyfelfontein, Namibia's first World Heritage Site. On game drives, species such as desert-adapted elephant, gemsbok, kudu and springbok can be seen. The combination of Africa's past and present makes Doro Nawas a fascinating visit.
