

THE GREAT WILDERNESS JOURNEY

BOTSWANA

A Discoverer Exploration - Ten nights/Eleven Days

This Classic Camp and deluxe camping safari takes the time to experience and explore Botswana's scenic northern areas: from the lushly vegetated wetlands of the Okavango Delta to the game-rich floodplains of Linyanti and Chobe, finally ending with the world-famous Victoria Falls on the Zambian side. Three-night stays in each area ensures detailed insights into habitats and game movements in the area, and there is a wide range of activities: walks, day and night wildlife viewing – both water- and land-based – and the “Flight of Angels” air transfer between Kasane and Livingstone. Private prime areas within Okavango Delta, southern Selinda and Linyanti are visited.
